

2015–2016 Second Presbyterian Women Circles One and Two present
Horizons Bible Study:

Come to the Waters

In this study, we consider the waters of chaos in Genesis, and the River of Life in the last chapter of Revelation, where chaos is no more. Water plays a central role in the stories of creation, the delivery of God's people (through the parting of the Red Sea and the crossing of the Jordan River), judgment of a people weak in faith, and the adoption of the people of God through baptism. Sometimes there is too much water (think Noah) and sometimes there is too little water (think drought in the desert). Together, we will explore some of the Bible's 800 references to water.
